Dear President Falconer, -

The Bishop of Toronto, President of the Toronto Humane Society, has received an intimation from the Duke of Connaught that he will be in Toronto on February second and will address the meeting of the Society and its friends on that afternoon between four and five o'clock.

I have been asked by the Society to secure your kind co-operation in the reception of His Royal Highness, and to ask you to secure for us the use of Convocation Hall for that occasion.

Yours sincerely,

R. A. Falconer, Esq., L.L.D.,
The President,
